POINT
COLLECTIVE

Hailing from Goiânia, Brazil, Marcal is one of the hottest names to have emerged from South America in recent years. Signed to Radio Slave's Rekids, Enemy Records, and Token Records, the Brazilian producer has skyrocketed to the forefront of the techno game, earning himself accolades from some of the worldwide scene's big guns including Ben Klock, DVS1, Rødhad, Freddy K, Luke Slater, and more with impressive consistency.

His trade of choice, i.e. dealing out hypnosis-inducing, sanity-combusting club material of the finest ilk, bursts to further explosive effect throughout his presentations. With intense groove, intelligent rhythms, complex patterns, and hypnotic soundscapes, which are the go-to elements of his sound signature, Marcal stakes out his territory in sheer badman style.
