Planet X, NECHTO Records

Phoenix, US

POINT  
COLLECTIVE

***A forceful name throughout the Southwest for fans of trippier techno styles, Lindsey Herbert spread her influence throughout the region, consistently appearing beside A-list names in the busy scenes of LA and San Francisco from 2015 to the present.***

***A resident first of Robot Ears and now Direct to Earth, San Francisco's most important events for true techno, she likewise appears for top-flight LA promoters like Observe, Synthetik Minds, 6AM, and others, steady domestic and international headlining dates, and is currently cultivating the scene deeper south and west following her move to Phoenix as an unofficial resident of Techno Snobs.***

***Making her solo production debut in 2019 on LA's Ascetic Limited, she's since doubled down on releases, with recent drops on US underground stalwarts Blank Code, Northern Parallels and Crisis of Man, as well as more European and South American imprints centered around hard strains of techno: Noise Manifesto, Planet X, NECHTO, TMM Records, Gomboc, Seclusion, Granular Spectrum, CommonSense to name a few, plus more to come!***
