

ARTHUR ROBERT

POINT
COLLECTIVE

Figure, Token, Planet X

Vienna, AT

Vienna Born and raised Dj/Producer, Arthur Robert, dedicated his whole life to making, playing and teaching music. Defining his sound as direct, puristic, groovy, jungle, breakbeat and Detroit inspired. He sometimes differs from his regular techno style and merges his sound into breaks and electro. You can identify his music identity as mix of psychedelic elements that give a hypnotic edge and with a dance floor driven approach.

His whole career is based on electronic music in every aspect, from playing at clubs to teaching sound design and production to others. As he finds it invaluable and a creatively uplifting to teach others and also learn along from his students along the way.
